

Daniel Corner

Telephone: 07476 889388

Address: 4 Lockers Park Lane, HP1 1TH

Email: Danielmichaelcorner@gmail.com

GitHub: [DMCorner \(Daniel Michael Corner\) \(github.com\)](https://github.com/DMCorner)

Software Development:

- 5 months learning ReactJS
- First react project was a sorting visualizer that displays merge, heap, quick and bubble sorting algorithms [React App \(daniel-michael-corner-sorting-visualizer.com\)](https://daniel-michael-corner-sorting-visualizer.com) (Netlify hosted).
- Second react project was a small business webpage that is usable on both phone and PC. The website also has working email submission [AVT LTD \(air-vent-tech-ltd.co.uk\)](mailto:air-vent-tech-ltd.co.uk) (cPanel hosted).

Mathematics Graduate: Achieved a 2:1 in my bachelor's degree from the University of Hertfordshire in 2021.
