Daniel Corner CV

Telephone: 07476 889388

Address: 4 Lockers Park Lane, HP1 1TH

Email: Danielmichaelcorner@gmail.com

GitHub: DMCorner (Daniel Michael Corner) (github.com)

Portfolio: https://dmc-portfolio.vercel.app

Software Development:

- 7 months learning React related software.
- First project was a sorting visualizer that displays merge, heap, quick and bubble sorting algorithms. React App (daniel-michael-corner-sorting-visualizer.com) (Netlify hosted)
- Second project was a small business webpage that is tailored for both phone and PC. The website has working email submission and image slider. AVT LTD (air-vent-tech-ltd.co.uk) (cPanel hosted)
- Third project is my portfolio website built using NextJS, Redux and TailwindCSS. https://dmc-portfolio.vercel.app (Vercel hosted)

Mathematics Graduate: Achieved a 2:1 in my bachelor's degree from the University of Hertfordshire in 2021.
